## Join Us for an Elegant Evening of Celebration and Giving

As we mark 10 years of championing youth development, gender equality, and health rights, Copper Rose Zambia invites you to an unforgettable evening of inspiration, entertainment, and purpose.

### About Copper Rose Zambia

Copper Rose Zambia (CRZ) is a youth-focused, women-led NGO working to empower young people by breaking barriers in healthcare, education, and economic opportunity. We create safe, supportive spaces for youth—especially girls and young women—to thrive and reach their full potential.

**Our Vision:** We envision a world in which every young person is happy, healthy, and living to their full potential.

Help us, To Reach our goal.  
**ZMW 250,000**

All proceeds will go towards supporting the renovation of Two Safe Houses supporting young girls who are survivors of Sexual and Gender-Based Violence (SGBV) in Lusaka and Chipata districts. Let's empower them with skills, independence, and a second chance at life.
